Let's walk quietly

第11話　廊下は静かに歩きましょう

P. P. O. I.

Pass it through the window
Idiot we are on 3rd floor
Hey, did you see a red spray?
The head of statue of liberty is too big for window
Weren't we going to do "Snow white" ?
Weren't we going to do Le Petit Chaperon rouge ?
How did we end up doing a stage poly ?
Did you really think Sakurai would back off ?

Run, Melos! (走れメロス)
Hashire Meresu

What ? They want us to do something ?
I thought they had no part in this
I heard this from juniors...
What is it ?
What's up with that costume ?
Just send out our juniors
I am not sure why, but they are insisting
Hm ? I heard it's going to be used for the play I like it.
I knew one of the athletics club had to do it I just didn't know it's be our club

Yep, no classes.
Yep, we don't have to study
It doesn't feel like we are facing the big exam.
Ah bro.
Ban-chan is here.
Alright.

Snack time.
Oh
Because we were embarrassed when we went to the festival last year
What did we do last year ?
I am not. Why ask ?
Taira, don't tell me you will crossdress again ?
Excited ? Study as soon as you get home.
So, school will end early. I am excited.
So, all we have to do tomorrow is submit our festival plan.

You were one of the three sisters
Amy of the little ladies.
I am sorry for the troubles ~
It became quite a topic itself
Right ... the guys had no idea who you were on the stage.
It's alright this year ! I am a guy !
We are the next !
The title of the current play is ~
Class 2-A's "24 eyes"
Hurry up !
What do you do ?
Citizen 1
Guard 1

You two look good in weird clothes.
All guys need to do is show up.
Girls took all good parts with speech.
But that doesn't matter. We are just mere extras.
Is that what you think ?
If you have a problem, speak up !
They said that girls are too scary to deal with.
They are running away

What ...?
Not sure. They said something about being abused and all...
What...?
Kkyaaa ~
Bann!
きゃあああああ
I don't know where to place my eyes on... since we are all wearing such weird clothes... It feels weird...

I don't know ...
She smiled at me !
Feel she smiled at me.
Okay !
Citizens, your turn now !

So, this is the last festival in middle school
Ah-ah
You didn't want to do anything
Or ... did you ?
I feel that ... something is missing That's all
Getting into mood ?

But we are not taking this seriously.
It's not that I do not want to do anything I want to do something... It's just...
You can't put passion into it?
Yes, I can.
Through the event...
Anything is one with determination to do something is good, I think.
It's just that...
And you don't know what it is exactly
Others are in next room.
I guess this is how it ends.
Is that so...
I think
is.

Let's gather guys and ruin them.

What's going on ? I thought class 3-C was going cafe.
Hanashimada where are you ? You made us buy tickets

Therefore I will leave the cafe to you

Yeah ?
Is it just me ? Brother seems to be in a bad mood.
Nothing has happened to Hamashimada, either, yet.
And our juniors were clueless.
Who, why, and when...
are they going to ruin us?
Nothing has happened so far.

I get it

Though it was hard to lure and lock up all juniors from the basketball club.
The volleyball team will have an advantage now
Well, let's ruin their stage good.
If he remained locked up, he wouldn't have to go through this
Stupid Tomofuji, he simply accepted the deal without thinking ahead.

So, what was this "deal" ?
About how many times they get to use the gym.
We've been using a lot even on weekends due to the match.
It seems they were pissed about that.
You can't blame them, you know. Juniors are the core of club activities now. Hanashimada is just too bossy
I don't think I was the only one.
They insisted to use the gym more next year
They provoked Tomofuji by telling him that our juniors couldn't do anything without us.
So, that's why juniors were trying to do it by themselves.
But they did apologize to us.
Yep
Perhaps we shouldn't have meddled in.
But it was emergency, you know.
Yep, they are going to be seniors soon.

Yes ! I have promised him to show my girlfriend to him !
What's the point ?
Did something happen to him ?

He suddenly called me and proposed the bet He seemed like in a hurry though.
He sounded very confident though.
After the festival when I got home, he called me. He was very angry for some reason.
He was telling me about why I wasn't in the class and then some gibberish. He also forced me to buy his tickets
Oh, I see
He was looking for you That's why he left early
He declared the bet like some sort of duel ... so I kinda accepted without thinking ahead
In other words I told him that I'd visit him with my girlfriend.

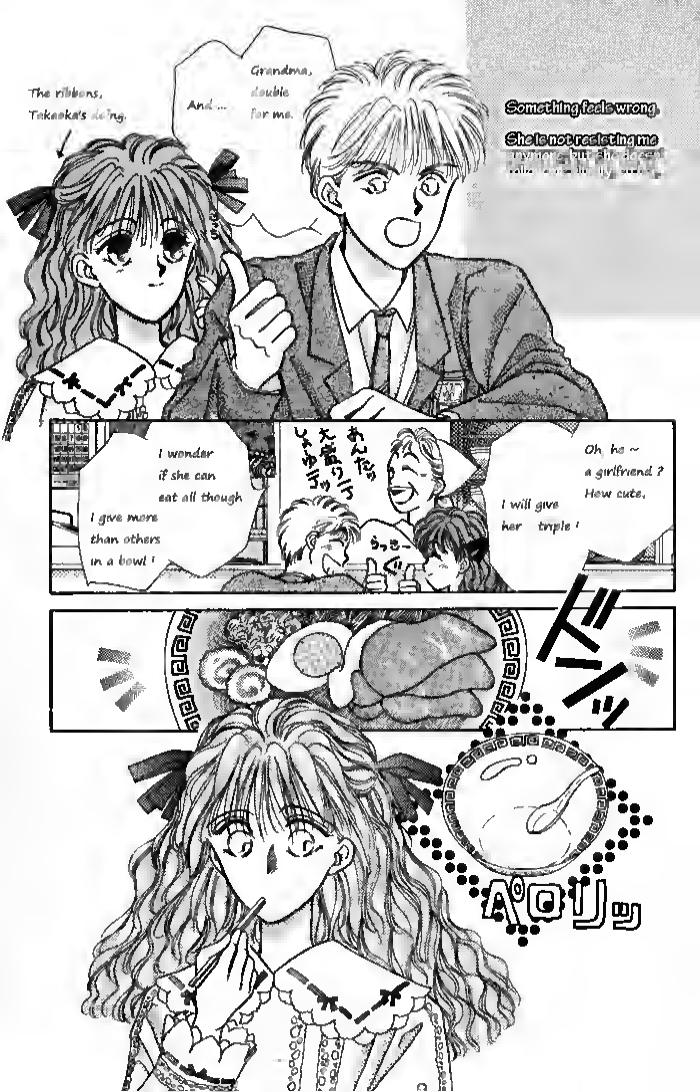
You could have let me down normally
Ichinose Hinaki !
The name is ..



The ribbons, Takaoka's doing.
And ...
Grandma, double for me.
Something feels wrong.
She is not reacting me
I wonder if she can eat all though I give more than others in a bowl!
Oh, he ~ a girlfriend? How cute.
I will give her triple!

Want — mine ?
There is like 1/3 left still
I can't believe I am feeling happiness after what I've done.
Why did you chase me ?
And you were with my friend today
So, there was a festival at my school today
Perhaps I am indeed indecent.

How come ?
Close your eyes.
Why ?
That's .. the rule
Who made such a rule? Dorm it !
It doesn't matter
Well ...
Why ... ? Well ...
Watch out ! You are coming too close!
I will close my eyes instead

First time ?
Can you prove it ?
This is my first time !
So what ?!
It's not like you are going to lose anything by touching lips !
くっつけあーと しんぴょりっ
What ?
Have you done it before ?
I don't know
I don't know !
You told me that I lost my memories after bumping my head.
That is all I know
I wonder –
I wonder where my memories is
Let's search !
Don't worry ! I will find it for you !

Hello, it's Takaoka. Could I talk to Hanashi...
Yes, thank you
Hey, Hanashimodo. It's me
Ah ?
You are going to a private institution on Saturday ?
Red pen and the teacher's mojo ?
Dude, are you sons ?
Me ? I go on Tue & Thu
Well, yeah, that's my course. Though I am not completely sure yet.

None of your business
Huh ? My GPA ? I have credits from
Winning basketball games
I wonder if I had friends like he does
I wonder what I did daily as my original self
I have to get back to my original self soon
Heh. I have my own share of pains, something only a king can know
Soon-
Sorry ! I went too hard on you !
Ah !
That felt weird, Takaoka You don't need to apologize to me quickly and easily Don't worry I don't mind it.
Hey. dude, when did I care for your "delicate feelings" ?
Hahaha, you finally see my greatness ! You don't want to admit, but you are trying to be nice to me for the future !
Do you have a brain ?

You sound awfully confident.
She didn't fall for you.
Forget it ! Let me get to the point !
Don't be shy
Don't be shy
Why do you ask ?
You didn't hurt her or anything like that, did you ?
The girl
Because she plays an important role in my future plans.
HAHAHA
HAHA
HAHA
DUDE, DON'T TELL ME YOU DID SUCH THINGS?!
Well, you see she is fine. Well body is
But her head is
HAHAHA
Say what ?!
Hahahaha !
Makoto is my only girl !
Are you two going to marry?
WAHAHA

I really want to kill you now
What the hell is this guy thinking?
You are a killer
How indecent ! Thus is why I hate guys ! I mean they don't care who they are doing it to at all ! HAHAHA this is going to be fun tomorrow at school But, hey, don't worry. It's only "face" you did stuff to... Not the body, eh ? No problem dude ! HAHAHA !
Oh, mon, I can't stop laughing... Help ! Help !
What did he mean by "such things" ?
Oh mon, you are just a damned liar !
What do you mean you don't know ?! Isn't she your girlfriend ?
So are you You go after another girl to another like a leech.
You even said just now that she would play an important role in your future !
I've NEVER said that !
Well she has nothing to do with me Ask Bann! They are in the same class.
Anyway, I don't have time to chichat now
Just tell me Ichinose Hinaki's address.
I don't know !
What?

NO WAY !
Why would I even need to ask that guy ?!
Forget it ! I will find out on my own ! Thanks for wasting my time !
I should have never counted on him to begin with !
Thankfully, there is this thing called phonebook !
This thing carries address of pretty much everyone !
Okay ! Wait for me Hinaki's family !
Alright, phone companies ! Show me your powers !
Ah, hello ? Excuse me for asking but do you know Hinaki
I will call every- ...ri. I have to!!
つっかけまくってやる!!
TELLLLLLLLLLLLL

Yay, a kitty!

Are you lost?

I see!
I think I lost my mommy too
コロコロ
I see.
That's your mommy I guess?
ぎゅっ

I am sorry
I am okay
Good bye !
Hello ?

Pardon ?
.. Yes, that's me.
Hello excuse me for asking. but do you know Ichinose Hinaki ?
My name is Ichinose Hinaki
Eh?!
What って!?
だ What て
だ what ?! て!?
Um.
Then... is she?
この雌なんだ……ツツツ
Um. What is it ?
Do you know Hanashi mada ?
Kusaka Banri ?
Uh... well...
The one in 3-C?
We are in the same class.
間違いない…

So, I am not Ichinose Hiroki.
And... I called Hanashimada and Banri, but they were both out, so I couldn't contact them.
He did mention that you are going to the same school as him.
Apparently not..., sorry.
Don't be sorry.
You are not at fault.
Especially since I said that was my name.

Should I go to a hospital
Or to a police station ?
You see ...
When I was a junior, I went out with a girl who was a senior.
Yeah?
Hm-mm
But it ended after a week.
That was short
You think so too, right ?
It was her who proposed to me in the first place. And then she told me a week later --
That I was too much into playing basketball and I was too young. We didn't even go out much.
That was harsh !

I guess
Still...
I think she was harsh.
What it was like to have a real girlfriend. Perhaps, that was why I was able to go on without seeing her for a week.
To me, she looked pretty ordinary
And I didn't know ~
Yes, maybe, but I was at fault as well
that she was the most
Huh?
Well, thanks.
You helped me to get over it
Let's go to my home.
So ~
I am glad that I met you
To my eyes, you look so pretty like a gem
No girls I've seen can compare to you to my eyes.

Even if you don't get your memory back-
I don't care.
Let's go home.
Be by my side.
I will take care of you
You are not avoiding me this time?
But you said you were my boyfriend, didn't you?

That's right.
ズル
ズル?
?
It feels weird to close my eyes.

Just ...
stay still !
Your leg...
Is your ankle alright?
Since you could run like that
I guess it's alright
Lega...
I guess ...
I know who you are now

JANIMES.COM

So -
夢やぶれて山のあり～!
The most important part is that you are a guy
Your name is Amano Teira; a guy, a senior in middle school Honashimada is your close friend, and I've run a few games with you before
So, please ...
Stay still for a bit ...
Okay...go home now I will... be here for a while.
I thought I was getting my life back on track - But nothing changed ..

Are we going to spend night here ?
Sounds nice !
Hey, don't do that!
He can't hide ... Jurgen address...
Ah, of course.
It's not good for my heart !
I will take you home.
Please, please, PLEASE, wear the wig ... at least. I was in Heaven a moment ago. Now I am in Hell.

Well, as long as you get rid of a setting that Amano Taira is a guy—
He doesn't know what kind of situation he is in at all. That's right.
He has no recollection of being Amano Taira at all right now.
He doesn't know at all...
Is this really a guy?
He is really quite pretty.
I will get us something to drink.
This is a guy!
No, no, wake up Takeoka Torao!
He has the same face... but doesn't have his consciousness...
I think I can feel Nanri's hardship.
He's Taira but he isn't really Taira...

No matter how cute and pretty he is...
Here.
Sigh
A guy!
But still... he is a guy.

I've done this to you before.
It's still a guy.

You must regain your memories soon ...
I guess .. I deserved this out come
Well, it was my fault ...
But I
I don't think I can help you much ...
Why ... why can't you be just a girl ...
This is the first time for me .... To lose confidence in myself ...
But I am the best in this town.
I am the attack-king Takaoka Torao !!!

ピリリリ
Phone
Yeah, phone. I need to call my mom.
She must be worried.
That was quick.
Well, she was going on and on so I hung up.
Whenever she gets a chance, she forces me to study
I did what she asked and am keeping my grade above a safe line but she keeps bugging me.
She says that one can't be successful with just sports.
Wow that must be hard.
Eh, look who is talking
You are a senior too. And you started playing basketball this year
You probably have more troubles than I do.
Eh ?
DRINK

There is no need to tell you this in your condition now, but -
I am pretty sure that the real you wants to run away like I do now.
You are probably being pressured from every direction by teachers, friends, family, and everyone else.
Everyone at our age and grade thinks the same. They want to be freed from this chain.
You don't remember ?
Well
I see
Hey
Get a hold of yourself, you !

What am I doing ? I am teaching Taira to act like a girl ?
You may be a guy, but you are so damn cute !
Don't you understand ?! You may be a guy, but you are dressed as a girl right now !
Why get angry?
Hand ?
You charm even guys ! Got it ?! Don't show off your legs and hands like that !
And they give out false signals often to others ! Please realize that !
What the hell am I saying?
What I am saying is ... !! Your neutral reactions are often so cute !!!
I am glad that you are with me.

Nothing. It's cool down here ...
Eh ? What are you doing?
Ah, a cute rock
Charmed
Interesting, you are. It's too bad that I am not going to remember any of this when I get my memories back
カ――ッッッッッ
He won't remember anything and I will be guilt-free when he gets back his memories!
Which means that even if I do stuff to him ... which I can't even dare to describe here-
He is going to forget everything!
When he gets back his original memories...
Yes..., how could I have forgotten such an important fact?!

Not doing it and having to regret will be worse than having done it and regret later !
This is a chance God has given me !
He has lost the plot.
Yes, God has given me this chance. Whatever I do now can and shall be forgiven.
Let me simply forget that he is a guy and go on with the business You can do this You've done this before in your dream once
We are even, dear God. I exchange my dedication for 6 months with this chance.
I shall not also talk back to my mom and feel bored at exams. For remaining 6 months left on this semester
Once I am done, I shall now fully focus on my study with no regrets or whatsoever.
Dear God, thank you for granting me this chance.
I ... will do this !

JANIMES.com

Don't take your wig off !
But it's hot.
I wish I could erase my memories as well after this. That would make this a lot easier.
This hair... It is getting on my nerve.
My consciousness is getting on my way.
You like guys ?
This is a girl. This is a girl. This is a girl—
Don't ruin the mood.

But I am a guy, and so are you
Do you like me ?
Do you ?
If you have to think hard, don't do this then.
It's wrong.
I do like you !
Me with amnesia or me with my memories back ?
The F, face is the same!
If you like original me, do it with original me.
I could never do that! That's why I am trying to do this with you!

I am lost
I don't know where my home is.
I want to go home ..
I really don't know
At first you said I was "Hinaki" and then you said I was your girlfriend.
And then you told me that I am "Taira" and I am a guy
Do you know me really?
me?
Do I even have ...
I want to remember.
But...
I can't... I just can't...

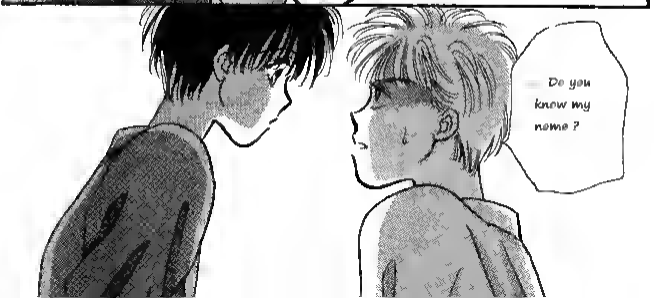
You don't know ! Forget it !
Wait !
Hey !
I DO KNOW !
Who am I really?
Ah...

ガ

Watch where you are walking!
Can you hear me?!
Hey!
Watch where you drive...
Eeek...
Hey...
I am glad that you are alright
I am glad
I don't even know your name yet

Are you hurt ?
Hello ?
If you are hurt
Are you alright ?

Who are you ?
You ...
What ... ?
You know me



Do you know my name ?

Why am I here...
Where am I ...
Who ...
Who am I ...
I can't recall ...

わからない
I couldn't find out.
わからない
Now I can't find out.
I am
This is the first time I felt truly.
Where
Are you going ?
I ... don't know !

I just wanted to cover your back. It's painful to look at.
Ah hey
I am not cold.
Besides, it's your jacket.
At the same time -
There are so many people on streets right here right now.
But it feels like they are invisible and pass through us as if they don't exist for real.
I feel like our
fogged.
JAKMES
JANIMES.COM

We now have no one to rely on but ourselves
We have lost memories about ourselves.
Let's get something warm to drink.
However, we are not alone at least
To make it worse, we don't even know each other well.
Yeah
I am sorry Only if I wasn't running away
It's perfectly fine According to you, you lost your memories because I chased you I guess this is what I deserved.
I think I heard your name once ... but my head hasn't been quite clear ...
I ... couldn't remember
Don't concern yourself with my name You can't remember your own.

And Nakano sensei said
Hospitals are closed at this hour and I don't want to go to a police station.
I guess we go to either a hospital or a police station.
What ? Already? God, there are so much going on ..
We have an English exam tomorrow !
Ah, right !
I wonder... if I was like that ?
I feel like we are in a
Yeah.
Yeah, I... we are delinquents.
I said that ?
I guess that's me then !
I see I see !
What ?
You said you wanted to run away because so much were going on.
You said you were

How about
DON'T !
I don't want to see blood
Yeah ?
Ah
Mmm ~

Does this ...
What ?
I don't know I think I am getting warmer physically but I think I am getting colder mentally

So, I think so. I was thinking about our relationship...
Are you implying that I was on a date with you ?
You mean I am a gay ?
I think I feel the same. Though I think I've been feeling this way long before you did.
